

Playwell Pre-school Newsletter

January 2015

Dates for this term

Last Day of term -Friday 13th February

Back to school - Tuesday 24th February

Welcome back

We hope that you all had a wonderful Christmas and a restful holiday.

We would like to thank you all for your presents and cards that you kindly gave us for Christmas.

We have some new children starting this term and we hope that you will welcome them all.

Can we please remind you that we have asked that you fold up your buggies if you are leaving them with us, they do take up a lot of space and block the fire exit.

Reflections on last term

Last term we continued to settle all of our new children in and were working towards 'sharing and caring'. We also worked very hard on our Christmas celebrations, which included learning all of our songs for our service in the Church. We hope that you all enjoyed the performance and we were all very proud of the children as some of them are still young - well done everybody.

We also practiced our close observational skills and painted Father Christmas and some very lovely winter animals. The children made their own Advent calendar that we opened every day and they decorated our two Christmas trees.

We had a visit from the Mobile library which is always a favourite with the children and the photographer took some lovely photos.

Our focus this term will be positional language, such as 'in front of', 'behind' etc. We will also be concentrating on verbal instruction, colour and shape.

Getting involved

If you are interested in spending some time with us once your child has settled you may be interested in our Parent rota. You may even want to take a look at the website, we regularly put photos of activities on there and you will find the newsletter on there too.

Don't forget- we are available at all times if you have any concerns or worries regarding your child.

Thank you.

Playwell Pre-school

8 January 2015

Dear Parent/Carer

We are looking for a volunteer to join the Playwell management committee.

This would involve attending our management meetings which are held once a term. We would ask that you bring along any comments, worries, positive feedback or suggestions from other parents as well as your own, to our meetings. We have found in the past that this role is suited to those who have time to chat with other parents and carers.

As our parent representative, fundraising ideas for the pre-school will also be part of the role.

Should you be interested in taking on this role, please let me know.

Thank you

Julie Graham
(On behalf of the Management Committee).
