## Farewells

For many of you this will be your last term at Playwell, we will be sorry to see you go, especially our families that have been with us for many years. We wish the children every happiness in their new schools.

We hope that if your child is leaving, you have made an appointment with your key worker to read your child's report, these will then be handed to your child's new school/ nursery on 30th June, so please make sure you have done so before the 26th June.

## Latest news

The Sainsburys vouchers have been collected and sent off and we hope to receive our new scooters and bowling set very soon.

If you are interested in spending some time with us you may be interested in our Parent rota. You may even want to check us out on Facebook if you have an account.

We have been posting on Facebook about what the children are doing during their time with us; we hope that this is helpful and interesting for you.

## What are we learning?

We have been looking at growing- this began with planting seeds, flowers and beans. It then progressed onto how we grow and how we have grown.

Spring was a main feature of this small topic as well and the children have been enjoying watching out for the signs of Spring, we are now waiting for Summer!

This term we are looking at healthy eating.

Ling, from the Friendship centre has asked us to remind you that the café is open on a Tuesday morning if you have time for a cup of tea and a delicious scone.

### **A few reminders**

Please do not put any eggs or peanut products, including peanut butter in your child's lunch as we have children with allergies.

The Church have asked us to remind you that parking is not permitted on the premises.

### **And finally ...**

Congratulations to Vicki, who will be getting married in the Summer holidays, may you join us in wishing her and her future husband every happiness for their future together.

Don't forget- we are available at all times if you have any concerns or worries regarding your child.

Thank you, The Playwell team
