

Harvest Festival

We will be starting our Harvest collection on Monday 10th October. We collect many things that you will have in your kitchen cupboard! These include packets, tins, fresh fruit and vegetables.

Reverend Paul Rogers will be visiting us on Tuesday 18th October at 11.45 to chat to the children about harvest and listen to our harvest songs.

If your child does not attend this session, you are welcome to join us for this very informal service, we will be donating some of our food collection to the Greenwich foodbank also.

Our Harvest celebrations this year will continue on Wednesday 19th October with our annual walk to the Philipot Almshouses (near Sainsburys). This enables our children to visit the elderly people and deliver our Harvest wares that we have collected. When we have finished our deliveries the children are provided with orange squash and a packet of sweets. If you have any objections, please let us know.

This trip will only be attended by the children who attend the Wednesday morning session. If your child attends this session they will need to have a coat for the morning walk. We also need some parents to walk with us. Unfortunately, younger children and pushchairs will not be able to attend as 1 parent will accompany 2 children.

We really appreciate your help as, without it, this trip would not be possible. If you can accompany us we would be most grateful.

Thank you, The Playwell team
